

Opportunity for Startups to Participate in the BES Expo-2026

The Broadcast Engineering Society (India) was established in 1987. The headquarter of BES (I) is in New Delhi and there are 12 Local Chapters spread across the country.

The aims & objectives of the society is “to promote and encourage education, research and training in broadcast engineering by way of organising conferences/ seminars/ lectures/ symposiums/ workshop and exhibitions in various disciplines of broadcasting and cooperate with other learned bodies for participation in similar activities.”

With the keen interest and sincerity of members of the Society, not only the membership base of the society widened to about 2500 but also the Society could become an International body, which now organises an international event, popularly known as BES EXPO, every year.

I am pleased to inform you that Broadcast Engineering Society (India) is organizing its 30th International Conference & Exhibition on Broadcast & Media Technology –BES EXPO 2026 on 29th, 30th, and 31st January 2026 in Hall No. 12A, Bharat Mandapam, New Delhi-110001. The BES EXPO has been supported by Ministry of I&B GoI, Ministry of Communication and Information Technology GoI, Prasar Bharati, Asia-Pacific Broadcasting Union Malaysia, Society of Broadcast Engineers, USA and Indian Broadcasting and Digital Foundation (IBDF).

The inaugural function will be held on Thursday, the 29th January 2026 at 10.00 hours in Hall 12A, Bharat Mandapam, New Delhi.

BES EXPO 2026, themed "**Broadcast Intelligence Innovation: Make in India for the World**" will feature over 300 global companies and 10,000 broadcast professionals. The event will cover topics like next-gen broadcasting, AI, and digital broadcasting trends.

Participating in BES EXPO 2026 can be a game-changer for **media startups**, offering numerous benefits:

- **Networking Opportunities:** Connect with industry professionals, investors, and potential partners, fostering collaborations and growth.
